Address: **Cleburne**  
Price: **Free**

I have a gift card for sale for Nascar Racing Experience for the amount of \$238.99. Go to [nascarracingexperience.com](http://nascarracingexperience.com) to see what options are available. There are ride  
alongs and solo runs in authentic Nascar cars.

I will take \$165.00 for the card so that saves you close to \$75.00 right off the bat. Plus very often they run half price specials so I would definitely wait to book a  
reservation                      till                      they                      have                      one                      of                      their                      sales.
